### SCHOOL BANKING - REWARD SYSTEM for 2014 REMINDER—NO BANKING WED 16th APRIL

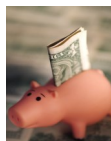

This year when students have banked ten times the CBA automatically notifies School Banking Co-ordinators that students are eligible for a reward. This term 22 students have qualified for a reward already and 22 packs of scented pencils have been ordered, and hopefully will go home with banking next week! Even though we have not had ten term weeks the CBA has carried over reward points in their system from 2013.

So, if there is not a reward for you in next week's banking, don't worry, as soon as you have banked ten times the system will tell us to order you a reward and we will get it to you near the end of next term.

If students or parents have any questions about the changes to the reward system please send an email to: [mounter@bigpond.net.au](mailto:mounter@bigpond.net.au)

There will be **no banking on Wednesday 16th April** as it is the last day of term.

Regards,  
Andrea Mounter and Roanne Perrera, School Banking Co-ordinators

### HOME READERS

As it is nearing the end of the term just a reminder to start to return Home Reading books to classes. Thanks.

Newsletter No. 10

9th April, 2014

Dear Families

A very big congratulations to our Playgroup! We all know that the West Hobart Playgroup is fabulous but on the weekend this was recognised and celebrated by the wider playgroup body. The West Hobart Playgroup won best supported playgroup in the inaugural Playgroup Tasmania awards. We are proud of the relationship Lansdowne has with the West Hobart Playgroup and we value the wonderful start it gives the young ones in our community. It is made up of, and run by, volunteers which is an absolute credit to all involved for the time and effort they put into making it a success – well done to the large team involved!!

### Staffing changes for Term 2 and beyond

Our wonderful prep teacher, Jenny Dudgeon, has been offered and has accepted a new position as the Coordinator of the Sustainability Learning Centre. This role is recognition of Jenny's work in, and passion for, this area. Jenny will still remain highly connected to Lansdowne, continuing to own her position here and she will continue to work with us on the many projects she has been part of. Jenny's new position creates some staffing changes at Lansdowne

- We are very excited to be able to announce that Georgia Tremayne – currently teaching Grade 1 and PE – will teach the Prep for 5 days a week from term 2 and for 4 days a week in Term 3 and 4 with Bridget Field teaching 1 day each of these terms.
- The gap left in Grade 1 by Georgia will be filled in term 2 by Meredith Langford with Leearna Downham returning in terms 3 and 4.
- Seb Wishart will take up the early childhood PE role from Term 2 onwards.
- Mandy Evans will coordinate the Land to Sea Leaders in Grade 5 with Gaye Headlam sharing teaching duties with Mandy on Grade 5 on Friday mornings

I am really pleased with our staffing solutions for term 2 and onwards – we are able to continue to provide excellent teaching and importantly, continuity of rich learning experiences for all children.

## Kinder enrolments for 2015

I know it seems early but we have very keen interest in enrolling in kinder from many members of our wider community. We need to ensure the families that live in our area are enrolled for 2015. If you live in our school community, please collect and complete an enrolment form from the school office or from Narelle Henderson in LIL. If you would like an enrolment interview and tour please call the school office to make an appointment.

## Easter Break and Term Holidays

A reminder to all that school for the students finishes next Wednesday. Teachers will be moderating on Thursday with staff from Lenah Valley with school being closed as a result. The school holidays take place over Easter with school resuming on May 5. Care for the student free day and for the holidays is available on site through Lady Gowrie - 62306864

## Lansdowne's Kitchen Garden News

Lansdowne's Autumn Harvest Market is on next Tuesday, April 15 - in time to get fresh vegies and preserves for Easter and the holiday break. The Market will be located outside Prep D, Early Years block ( below GP room)

Do you have an overabundance of garden produce? Bring your surplus along to support the schools kitchen garden. Donations can be left at the school office or Prep D. We'd love to have home-made preserves etc to sell. Please label the preserves ingredients appropriately.

A monster worm farm is beginning to take shape. The Brew family donated a wonderful duck egg blue bath which is set to become the Early Years Worm Farm - taking food waste from all five early years classes K- Gr1.

**What's growing:** Zucchini's, kale, silver beet, lettuces and herbs are almost ready for the autumn harvest market on April 15.

## MOLESWORTH EXCURSION - IH & IFT - Thursday 8th May

On Thursday, May 8<sup>th</sup>, Grade 1 Hesman and Grade 1 Field/Tremayne will be visiting Molesworth for a day of team building activities. We will leave school around 9.10am and return by 3.00pm. Please ensure that your child is dressed in suitable clothing and has a coat and a hat with them. They will also need to wear sturdy walking shoes. Students will need to bring their bag with them and have enough food and drink to last the day. Parent help is welcome but as seating on the bus will be limited it may be necessary to go by car. Please see your class teacher if you can assist. Please also note that if the weather is not favourable that day the excursion may be cancelled that morning.

# Quiz Night

**What's Loud, Cheap, trashy and guaranteed to show you a good time?**
