Dear Families,

Hope you had a wonderful first week – I know the children and the staff did. It was delightful to hear the children expressing how pleased they were to be back and already buzzing about the exciting learning they were involved in.

We have a great year ahead of us with many of the terrific experiences of 2013 back again including:

Our sporting carnivals, Grade 5 and 6 camp and Grade 3 camp; The Young Archies portrait showcase; Hobart Sings and the annual Dec Concert – what an exciting year ahead.

As well, we are very excited to announce we have been successful in obtaining an **Artist in Residence Grant** which we will use to develop a mural with our sister school Kaliasin. We are still working out details and will tell you more as it develops.

We also intend to undertake a **TRAILS** project on our school grounds similar to the one we have completed on Knocklofty, again more details as this develops. If you are keen to check out our previous trails work go to our website here and click the red buttons to go into each site in Knocklofty: www.landtosea.net.au

Leapfrogs – our Launching Into Learning program begins next Tuesday the 18th of Feb. It is a wonderful program for all of the children in our community who are between birth to 4 years of age. If you would like to know more please contact our school office.

Reporting 2014

We have four formal reporting processes that we will undertake with you this year to share your child's progress.

Parent Teacher – held between April 7 and April 16

Mid year major report – sent home July 4

End of year, summative report – sent home Dec 15

Assemblies Term 1

See you at assembly,

Lady Gowrie Tasmania offers quality Before and After School Care on site operating from the bottom Kindergarten room. We also offer an After Kinder program from 1pm-3pm on Wednesdays. We provide a nutritious afternoon tea, fun games and interesting activities each day where children can enjoy building relationships and develop life skills in a relaxed and fun environment. These skills are supported by Educators who are trained and dedicated to providing the best outcomes for your children.

Care can cost as little as \$5.50 per afternoon if eligible for maximum child care benefit. Most families are eligible for the 50% Child Care Rebate. Contact the Family Assistance Office on 136 150 for further information regarding benefits.
