Dear Families,

We have arrived at Week 8 of Term 3 with just 2 more weeks to go before the end of term break. It has so far been a very big term of rich learning experiences. As I walk through the school speaking with students each day I am so impressed with their ability to articulate their learning and to explain: what they are learning, how they are progressing, how they know how they are going and what they are going to do next to take their learning forward. They are actively engaged in constructing their learning experiences and demonstrating what they have learned. Our goal of empowering our students as leaders of their own learning is definitely being enacted!

Beautiful singing!

Yesterday a very large group of our choir students represented Lansdowne at the Eisteddfod. We are very proud of the junior choir, senior choir and boys vocal for their tenacity in preparing for this event. The beautiful voices are a credit to the students and of course to Gaye Headlam.

Jump Rope

Jump Rope day is on next Thursday Sept 18 between 11.30 am and 1.00 Students are encouraged to bring along a gold coin and wear something red!

NAPLAN

Student NAPLAN reports have arrived at school. These will be posted out to families this week. If you have any queries or concerns please contact your child's teacher.

Values Blitz

Many of our classes are out and about at this end of the term enjoying learning from others, in other places. Our values of I am Respectful and I am Responsible are a focus currently as we explore what these look like in a range of settings. As our end of term assembly takes place this week we will have a values blitz to celebrate who has been caught showing our values at school and beyond.

Reminders and save the dates:

- Inter school, swimming carnival September 19
- CyberSafety evening: September 22 6-7 PM in the GP room
- Kinder enrolments 2015

See you at assembly!
Monique

CHORISTERS VICTORIOUS

Our singers had a wonderful day yesterday at the City of Clarence Eisteddfod. Their behaviour and attitude were impeccable and it was an absolute pleasure to be with such a happy, positive, well mannered group of young people who were all striving to be the best that they could be.

Jump Rope for Heart Thursday September 18

On Thursday September 18 we are having a **"Wear Red"** day to support the National Heart Foundation. As part of our "Wear Red" day we will be having a jump rope event from **11.30am to 1.00pm** with the children participating in a variety of skipping activities and events.

Jump Rope for Heart skipping ropes are available from the school office. White handled ropes for smaller children will be **\$3.00** and the slightly longer red handled ropes will be **\$4.50**. **Supply** is limited! A gold coin donation to the Heart Foundation would be very much appreciated and will be collected on our "Wear Red" day. **Ed Glover, Senior Teacher.**

2014 Tasmanian Schools Triathlon Challenge

It is on again!

Can you swim, ride a bike, run?

Interested students from Grades 3 – 6 are invited to participate in the individual or team triathlon events to be held at Bellerive Beach on Friday November 21. It is a fun event with a focus on participation and you can take part as an individual and as a member of a team if you want to have twice as much fun!

The entry fee is \$15.00 and, if you take part in both events, it is still only \$15.00!

Entry forms are available from the school office or from the schools triathlon website – www.schoolstriathlonchallenge.com. The website also has information that will answer most questions about the event.

Entries must be returned to the school office, along with the entry fee of \$15.00 by Friday September 26 please.

A request : if participating in the individual event or team event as a bike rider, please consider a plan as to how to get your bike to and from the venue on the day.
